Kesgrave Kapers 1994

This year marks the resurrection of Kesgrave Kapers after a break of 21 years. The last show was held in 1973. Although the world has changed significantly since then the same fundamental concept still applies to our new show. Every section of the 1st Kesgrave Scout Group and Kesgrave Guide Association is represented in one form or another to provide the largest cast ever for this event. In all over 200 people, boys, girls, and adults have helped with this production. We hope you enjoy the results of our efforts. If we get encouraging feedback that the show was a great success and should be repeated a little more often than every 21 years, then we will consider putting on a show every 2 years say. So let us know what you feel about our show, good or bad, your decision counts.

Finally I would like to thank you for your support at this event and hope you had a great time.
